Tigerente is a parents' initiative kindergarten located in Kreuzberg. The group consists of 16 children between the ages of 2 and 6, and 4 teachers. It is important to us that the families want to and have the capacities to get involved in shaping the life of the kindergarten.

Eight of our eleven families speak more than one language at home. **BIPoC and queer families are very welcome to join and expand our parental base, which has already grown in this direction.** The Tigerente community has set out to meet and support families and children who are particularly vulnerable to different forms of discrimination, with their concerns and needs.
